2018 EASTERN REGIONAL YOUNGER MEMBER COUNCIL

Welcome to **BUFFALO!**

On behalf of the 2018 Eastern Region Younger Member Council (ERYMC) Planning Committee and ASCE Buffalo Section, we would like to welcome you to "Queen City," "City of Good Neighbors," and more notably, "the City of Light". The numerous names come from our bountiful history, architecture, and proud community. We encourage you to explore over the next few days. Here are some things to know:

Transportation – The [Airport](#)-Downtown Express - Metro Route 204, runs non-stop service approximately every 30 minutes between the airport and downtown making its first stop in front of the Hyatt Regency Buffalo. One-way fare is \$2.50. Pick up is before the "Arrivals" entrance at the airport. Uber or Lyft is approx. \$20. Exit the terminal doors closest to carousel 1 in the baggage claim area and follow signs to the designated pick up spots. The Hyatt does not have a designated hotel shuttle.

Hotel Parking – Valet \$25; Augspurger Parking Ramp (daily max. \$7.50, overnight \$32.00 - [online](#)) is located adjacent to the hotel across the street. Or there is an open lot located directly across the street (daily max. \$8.00, overnight \$15.00). [Street parking](#) is free after 5pm and on the weekends.

Dress Code – Business Casual for all events! There is a walking tour prior to Saturday's Awards Banquet. Wear comfortable shoes.

Weather – "Don't forget your booties" because winter is here! The forecast is expected to be a high of 28°F with a low of 10°F. Essentials: Coat, hat and gloves. Boots might be a good idea in case we're surprised by a sudden deluge of snow. Open toe footwear is NOT recommended; Friday's events will be outdoors!

Pearl St. is FREE – But we need to know how many of you are coming. Don't miss out on the great food at the party! Reserve your spot for this special event on the ERYMC [website](#).

Skating and Curling are FREE – and will be at [Canalside!](#) Sign up on the ERYMC [website](#). And don't get caught up in the line, sign your waiver beforehand here: <https://www.canalsidebuffalo.com/waiver/>

Social Media – Stay in on the action with GroupMe for [WSBL 2018](#) or [ERYMC 2018](#). The conference app (whaaat*) will have a Twitter and Instagram link, so don't forget to use the following as you enjoy yourself a little too much: #ERYMC, #ERYMC2018, #MRLC, #MRLC2018, #ASCE

*That's right: we have a conference App for both Android and iOS called "MRLC 2018" (available February 5th).

First Timers and Veteran Attendees! – There are over **400** ASCE leaders registered! Make friends, grow your leadership skills, and gain engineering knowledge. Experience Buffalo and try something new (like curling)! Meet Society Officers and the Executive Director, ASCE staff, local volunteers and professionals, Regional Governors, section and branch leaders, student members, and younger members. We all have amazing stories and a wealth of advice and experience to share. Think you know it all? There's always more to learn. This schedule will give you a taste of new things you haven't experienced yet, both edible and otherwise. Most importantly, bring the energy, excitement, knowledge and diversity from this conference back to your section or branch and implement what you've learned.

FEBRUARY 9 AND 10, 2018

2018 EASTERN REGIONAL YOUNGER MEMBER COUNCIL

Younger Member Group Delegates:

Peers Group Award Nominations: Please review ahead of time. Your votes will determine who wins. All votes must be turned in by 10:30 am Saturday, Feb. 10. Nominations can be found in the program.

Business Meeting: Saturday, February 10th. Please review the proposed resolutions attached. You may wish to discuss how you plan to vote with members of your YMG prior to the conference.

Final Recommendations for Everyone:

For the authentic Buffalo experience, be sure to try Buffalo wings, 'beef on weck,' and sponge candy (here are our [Recommendations](#)).

Recommended Coffee: Spot, Public, Café Aroma

Nearby Breweries: Big Ditch, Black Button, Lafayette Brewing Co., Lockhouse, Sato, Tommyrotter
Local Brands: <http://buffaloniagarabrewersassociation.org/breweries/>

Nightlife: Chippewa St. District - Allen St. District - Elmwood Ave. District
<http://www.buffaloplace.com/nightlife>

If you have any questions or comments, please reach out to me or any of the volunteers from the Buffalo Section. We are happy to help you in any way we can!

Sincerely,

Francis Mahaney, E.I.T.
Conference Chair

Airport-Downtown Express - Metro Route 204

This shuttle runs non-stop service between the airport and Buffalo's central business district, making its first stop in front of the Hyatt Regency Buffalo. One-way fare (in most cases) is \$2.50. Service runs weekdays, approximately every 30 minutes, during peak drive time. The stop is located before the "Arrivals" entrance at the airport.

Regular Metro Bus service runs through the heart of the city. It is the most economical way to get to and from the airport. One-way fare is \$2. Consult the schedules - [Route 24 Genesee](#), [Route 27 Wende](#), [Route 68 George Urban](#)

Metro Bus and Rail is fully accessible to passengers with special needs.

Metro Rail

The train stays above and beneath Main Street, and travels from University at Buffalo South Campus to First Niagra Center. NOTE: Metro Rail provides **complimentary above ground service** from the hotel directly to the First Niagra Center.

Pick Up: Hyatt Regency Buffalo, West Huron St.

Location: Niagara Falls & RNBC

Cost: \$25.00

Description:

It's #tbt, so take a ride with us to view what was once a wonder of the world, Niagara Falls. Stay at the Falls and watch them light up at 10 p.m. or come back to Buffalo with us earlier to enjoy a craft beer on us at Rusty Nickel Brewing Co. (Owned and made by one of the Section's own). Make friends to enjoy the rest of the conference with and put a team together for table games and bring them with you for curling on Friday.

Networking Social

Date: Friday, Feb. 9th

Time: 6 – 10 p.m.

Transportation: Not Provided

Recommend using the NFTA light rail by walking right out of the hotel on W. Huron St. and then left at Main St. to the stop on the corner OR walking left outside the hotel and straight down Pearl St.

Location: Pearl St. Grill & Brewery

Cost: FREE

Description:

Winter is here. So let's do some wintery things - Eat and drink in a cozily rustic restaurant/brewery, ice skating – definitely, ice biking- maybe, curling – you've got to try this. I hope you brought your team from Thursday. If not, there will be plenty of socializing and feel free to go out on the town down Chippewa St.. Take the light rail to see the bright theatre district. And if you're so bold, take it a few stops farther and walk or grab a rideshare over to Delaware park to see that winter wonderland. Heck, maybe even venture as far as Duff's near UB (University AT Buffalo).

ASCE BIOS

Kristina Swallow, P.E., ENV SP, F.ASCE, ASCE 2018 President

Since 2012, Kristina has been with the City of Las Vegas leading a team of engineers responsible for delivering public works projects and planning the sanitary sewer collection system. She negotiates design and construction contracts, reviews progress of the work, coordinates with public and private sector stakeholders, and responds to external comments or questions. Additionally, she advises on bicycle and pedestrian-related infrastructure, representing the City at the Nevada Legislature, participating in public meetings and guiding public outreach policy.

As ASCE's Congressional Fellow in 2009, Kristina landed a position in the Office of Senator Tom Udall as his lead on transportation policy. During that time, she worked on the Federal Aviation Administration reauthorization bill and development and passage of the MAP-21 surface transportation authorization bill.

Kristina has been active in ASCE since 1995, serving on various society-level committees, such as Program and Finance, the Committees on Education, Diversity and Younger Members. She served as the Society's appointed Governor on the Utility Engineering and Surveying Institute until her election as ASCE's 2018 President.

In addition to her professional activities, Kristina is active in her community. She has served in leadership roles with the Junior League of Las Vegas, Southern Nevada Bicycle Coalition, Engineers Without Borders, and on the Advisory Board to the University of Nevada Department of Civil and Environmental Engineering and Construction.

Kristina earned her bachelor's degree in civil engineering from the University of Arizona in 1994 and a master's degree in civil and environmental engineering from the University of Nevada in 2004.

Tom Smith, ENV SP, CAE, F.ASCE, Executive Director

A dedicated member of the American Society of Civil Engineers for more than 25 years and a civil engineer by training, Tom Smith served as the association's deputy executive director and general counsel before becoming the executive director in January 2015. Established in 1852, ASCE is the oldest national professional engineering society. With a membership of over 150,000 and an annual operating budget of over \$65 million, the Society is dedicated to advancing the art, science and profession of engineering for the betterment of humanity. Smith is responsible for the day-to-day management of the Society. He provides executive leadership to a staff of 280 and an active volunteer workforce of over 7,500, facilitating ASCE's tradition of supplying high-quality and high-value products and services to its members and other customers worldwide.

David Peterson, Chair – Raise the Bar Committee, Senior Manager for Rummel, Klepper & Kahl, LLP

David Peterson received his bachelor's degree in civil engineering and a bachelor's in political science from Virginia Tech in 1982 and 1983, respectively. Since that time he has held numerous engineering positions as well as making generous contributions to ASCE. He currently works as a Senior Manager for Rummel, Klepper & Kahl, LLP, in Raleigh, NC. Over the years, he has worked on over 500 bridges in 10 states with various consulting firms. He is licensed professional engineer in North Carolina, Virginia, South Carolina, Florida, Georgia, Tennessee and Maryland.

David previously served on ASCE's Board of Direction and is currently chair of ASCE's Raise the Bar Committee.

SPEAKER BIOS

Steven P. Ranalli, P.E., Vice President of Waterfront Development, Empire State Development, Erie Canal Harbor Development Corporation

Steven Ranalli is a professional engineer with experience in engineering, urban planning, design, and economic development. Mr. Ranalli is currently the Vice President of Waterfront Development with the Erie Canal Harbor Development Corporation and manages the planning, design and construction projects within the Corporation's 450 acres of waterfront property. Major projects include the reconstruction of the historically aligned canals at Canalside, replicating the western terminus of the Erie Canal; the Explore and More Children's Museum; and the Ohio Street reconstruction project, a major waterfront arterial linking the City's inner and outer harbors.

of Terminal B, and the State's \$20 million Buffalo Billion investment, all on the Outer Harbor. In addition, Mr. Ranalli leads the Canalside Design Review Committee, Cultural Advisory Board, and is a member of New York State's Smart Growth Review panel. Mr. Ranalli is a graduate of the University at Buffalo, a Western New York native, and resides with his wife and three children in East Aurora.

Rosanne Frandina, P.E., L.S., Frandina Engineering And Land Surveying, P.C.

Rosanne Frandina, PE, LS is the owner of Frandina Engineering and Land Surveying, PC. She holds a B.S. degree in Civil Engineering and an MBA, concentrated in Finance, from the University of Buffalo. She is licensed as a NYS Professional Engineer, Professional Land Surveyor and Real Estate Broker.

Her firm is certified as a New York State Woman Business Enterprise (WBE) and a Disadvantaged Business Enterprise (DBE). FELS performs Land Surveying and Civil Engineering services throughout the Western New York region.

In 1998, she became the first woman, and 4th member of her family, elected President of the Erie Niagara chapter of the New York Society of Professional Engineers. She was honored by the Society on the National level as its 1990 National Young Engineer of the Year.

Rosanne, along with her 2 brothers and father, all UB Civil Engineering graduates, were named the 2001 Engineers of the Year by the University

of Buffalo Engineering Alumni Association in recognition of their outstanding contributions to the Engineering community. She currently serves on the board of the UB Civil Engineering Deans Advisory Board. She is an active member of NSPE, ASCE, NSPS and others.

Stacy M. Kubit, P.E., WSP

Stacy M. Kubit is a Professional Engineer. She holds her BS in Civil Engineering and MBA from the University at Buffalo, SUNY. A lifelong resident of Western New York, Stacy has worked in a variety of capacities with local engineering and construction firms, currently Stacy is the Construction Services Area Manager for WSP USA Inc.. Her recent work with Federal Highway on the Every Day Counts (EDC-3) initiative reinforced her as a subject matter expert in e-construction, specifically GPS & 3D-models for inspection services.

While she had dreamed of becoming a meteorologist, she enjoyed projects around the house with her mechanical-engineer father too much, leading her into design, drafting and engineering classes in high school. Her desire to become involved with transportation construction stemmed from summers working with a local transportation contractor. The fast paced and dynamic world of construction keeps Stacy happily engaged at work. Currently she is working toward PMP certification. She aspires to further develop her own business, Kubit Engineering, PLLC, into a viable construction

inspection company and be part of the continued growth of the Western NY region.

Stacy has served as an Adjunct Professor for the SUNY at Buffalo Civil Engineering Department where she enjoyed motivating students to become actively involved in their profession. She continues to stay involved with events such as ASCE Concrete Canoe Team, ASCE resume review and Future Cities.

Stacy is involved in a variety of community organizations and events such as Ride for Roswell, Locks of Love, Angelman Syndrome Foundation and Colon Cancer Alliance. After a 'lifetime' of participating in team sports, Stacy began competing in the individual, multi-sport of triathlon in 2012. She found that training and competing in triathlons greatly improved her focus and drive in all aspects of her life.

Stacy lives in North Tonawanda, NY with her husband and young daughter. She is a Director for Lumber City Development Board in North Tonawanda because she hopes to continue the growth the community has seen for future generations. Stacy loves sharing her passions of travel, music, food, volunteering, athletics and problem solving with her daughter. Being a mom has been the most humbling and rewarding challenge she has faced yet!

2018 EASTERN REGIONAL YOUNGER MEMBER COUNCIL

Jason Havens, P.E., M.ASCE, Buffalo Section President

Jason Havens is a Project Manager of civil and transportation projects at Clark Patterson Lee where he has thirteen years of design and construction experience. He has designed and lead a wide range of engineering projects that span multiple disciplines including site design, storm and sanitary sewer systems, water systems, park master plans, traffic studies, and bridge and highway designs. In addition to his design experience, Jason also provides construction administration and inspection for local municipalities for site, bridge and highway construction projects. Mr. Havens has worked for numerous municipal clients, as well as the New York State Department of Transportation, Georgia Department of Transportation and State University of New York.

Jason graduated from the UB in 2005 with a B.S. in Civil Engineering and immediately joined Clark Patterson Lee as part of the transportation design team. He has been an instructor at the University at Buffalo (UB) for nine (9) years where he teaches civil engineering design with MicroStation and InRoads. Jason earned his Professional Engineering license for New York State in 2011, and has completed reciprocity of licensure in Georgia, North Carolina and South Carolina.

He is an inspiring and enthusiastic supporter of the civil engineering profession. Serves as the acting ASCE Buffalo Section President and was also the Section President in 2012. He feels strongly that mentoring is not an option for engineers but rather an obligation! As such, he's volunteered for programs like Future Cities, as a mentor for young engineers at Clark Patterson Lee, an ASCE Student Practitioner Advisor at UB as well as the Concrete Canoe Team Mentor for over a decade. He was recently awarded the University at Buffalo Mentor of the Year.

Outside the office, Jason is an active member of the community, seeking ways to give back through education and outreach and is an entrepreneur in the craft beer industry. He is a proud recipient of awards with ASCE including Outstanding Practitioner Advisor, New Faces of Engineering, the Edmund Friedman Young Engineer for Professional Achievement and the Buffalo Business First, 30 Under Thirty Award for business.

2018 EASTERN REGIONAL YOUNGER MEMBER COUNCIL

Bethany Mazur, J.D., Director of Alumni and Constituent Engagement - University at Buffalo

Bethany Mazur is the Director of Alumni and Constituent Engagement at UB's School of Engineering and Applied Sciences. Boasting over 33,000 alumni in all 50 states and over 70 countries, it's the largest engineering school in New York State. In her current position she works alongside the school's faculty and staff to engage alumni and friends for the benefit of the school, its students, its alumni, and our community.

Bethany earned both a BS in economics and a JD (law) from the University at Buffalo. After graduation she joined Mura & Storm, PLLC as an associate attorney where she practiced insurance law and contributed to the firm's annual Insurance Coverage Seminar. She specialized in No-Fault law and arbitration work.

Throughout her career Bethany also spent several years working alongside Kevin Gaughan, Esq. as Policy Director of "The Cost," an effort to identify and quantify the cost of WNY having more elected officials per capita, at the time, than anywhere else in the country. That work eventually led to the "Let People Decide" effort which empowered several successful citizen-led efforts to reform and reduce the size of government in Western New York.

She lives near the Big Blue Water Tower with her husband, one-year-old daughter, and two dogs. She is a board member of the Mason's Mission Foundation and is active in the local Christian community. She has also served on the boards of B Team Buffalo and the Cystic Fibrosis Foundation.

Jason Lang, M.BA, CPA, Defense Contract Audit Agency

Jason Lang has worked at the Department of Defense for the Defense Contract Audit Agency (DCAA) for over 12 years. A graduate of the University at Buffalo with a BS in Business Administration ('05, Accounting/Finance concentrations) and a Masters of Business Administration ('11), Jason is also a Certified Public Accountant registered in the Commonwealth of Virginia.

In his career at the DCAA, Jason has performed and assisted in audits overseeing billions of dollars of DoD procurements, resulting in tens of millions of dollars in cost savings to the Government. His current roles involve audit quality control and assistance with external oversight reviews.
